

JAPAN DECIDES TO SEND TROOPS

A Mixed Regiment of Japanese Soldiers Will Go to China.

FAVOR A JOINT POLICY

Russia and France Have Agreed to Act With the Other Powers.

CZAR AND MIKADO MAY CLASH

Tien Tsin, June 14.—[Special Cablegram]—The Boxers have cut communications with the international forces and threaten to burn this city tonight. The people are in a panic. The Boxer forces are strong. The city may surrender.

Yokokama, June 14.—[Special Cablegram]—Japan has decided to send a regiment of mixed troops to China.

Railway Line Is Out.

Tien Tsin, June 14.—[Special Cablegram]—Railway communication between here and Lang Fang, where the foreign relief force is stationed, has been cut three miles beyond Yang Tsin, two stations from here. Two bridges were destroyed. The Boxers, it is learned, will make a determined attempt tonight to burn the station at Tien Tsin.

Powers are in Accord.

London, June 14.—[Special Cablegram]—In the commons today, Broderick, parliamentary foreign secretary, said complete accord prevailed among the powers regarding China. Arrangements had been made to increase the British force on the Yang Tze river.

Russia and France Agree

Tien Tsin, June 14.—[Special Cablegram]—It is stated here that Russia and France have agreed to the joint policy of dealing with the situation in China.

The foreign force which started for Peking is remaining at Lang Tang, 35 miles from here, for the present. They cannot reach Peking before Sunday. The railroad repairing is being done by the English and American marines at the rate of two hundred yards a day.

On the Way to Peking

Washington, June 14.—[Special Telegram]—Admiral Kempf telegraphs from Tongku that twenty-five hundred men are on the way to Peking, including a hundred Americans. The viceroy at Tien Tsin gave permission to go there. The Russians are now sending soldiers from Port Arthur with artillery. Nothing from Conger today.

Chinese Entrenching at Peking.

London, June 14, 4:20 a. m.—The Chinese are entrenching outside of Peking to oppose the advance of the international column. A dispatch from Tien Tsin, dated Tuesday, June 12, says:

"I learn that the Chinese have guns trained on the American mission and the British legation.

"Two thousand Russian cavalry and infantry, with artillery, have landed at Taku."

The Shanghai correspondents report that United States Minister Conger, by courier, asks for 2,000 United States troops.

The question of provisioning the relief force is already difficult, and it is predicted at Shanghai that it will become acute.

The leading members of the reform party, representing fifteen out of eighteen provinces, are at Shanghai. A dispatch to the Daily Mail dated yesterday says they are sending a petition to the United States, Great Britain, and Japan praying these powers to take joint action against any attempt on the part of other powers to partition the empire, and they implore the powers thus addressed to rescue the emperor.

A dispatch from St. Petersburg says that the ships of the Russian Pacific squadron on the active list, as well as those at Vladivostok, have been ordered to proceed with all haste to Chinese waters.

The foreign office confirms the report of an engagement between troops of the international column and the Boxers on Monday. It says that "about thirty-five Chinese were killed."

Methodist Missionary Murdered.

New York, June 14.—The following cable message was received yesterday from Tien Tsin by the brother-in-law of Dr. Edna Terry, in charge of the station of the Methodist Episcopal Woman's Foreign Missionary society at Tsung-Hua, China:

"Dr. Terry murdered. Break news gently."

This was the first indication of trouble at Tsung-Hua.

Later the Methodist Episcopal board received the following, dated Tien Tsin, June 12:

"Hopkins and Hayner safe." The persons named are missionaries at Tsung Hua. There is one other

Methodist missionary at the same place, a Miss Croucher of Boston. Tsung-Hua is six or seven miles north of the great wall and about 100 miles from Peking.

WAR IN THE ORIENT SEEMS NEAR

Conflict Between Russia and China Over Corea Certain.

St. Petersburg, June 14.—War between Russia and Japan cannot now be long delayed. Japan is more or less open and above board in her active hostility, and it is only a question of how long Russia's mysterious patience and reluctance to precipitate inevitable rupture can continue.

Last Thursday the mikado ordered the Japanese ministers of war and marine to hasten the final mobilization of troops and warships and the preparation of all forts, coast defenses and arsenals for the requirements of war.

Japan's Ships and Troops Ready

Fifty-nine Japanese warships of all classes are now completely ready, and such of them as are not cruising in Chinese waters have steam up constantly. Twelve thousand marines are garrisoned as reserves in the Tokyo barracks, ready to be embarked by the way of Nagasaki for China whenever the call comes.

The Tokyo garrison of defense has been increased within the last ten days by 20,000 men of artillery and infantry. The Tokyo government has sent two naval agents to England with orders to buy six of the swiftest first-class steamships to be had for use as troopships. Yesterday a special secret meeting of the cabinet was held under the presidency of the mikado.

Diplomats at Tokyo Astir.

All those indications of settled desperate purpose on Japan's part have their effect on the foreign diplomats in Tokyo, and almost every day all the envoys, except the British and American meet at the French legation to discuss the acute condition of affairs.

Japan, as has been said, makes no effort to mask her strong anti-Russian feelings, and her protest against Russia's hovering full-armed on the borders of China and Corea is vigorous. From a thoroughly authentic source your correspondent is informed that Japan's enormous war expenses have reached a point where they will compel her ministers to proceed to extremes in order to justify the tremendous drain of taxation.

A dispatch from Port Arthur reports that fifteen Russian warships of 80,000 aggregate tonnage are cruising in Chinese waters and that the armored cruiser Rossija has entered Taku port.

BOXERS BURN THREE SHIPS.

American Launches Destroyed by a Large Body of Rebels.

Shanghai, June 14.—A large body of Boxers have burned three American launches at Soochow. Four hundred Boxers are drilling at Shanghai. There are only two small warships in port. The Monocacy has gone to Tientsin and the Yorktown to Chefoo.

Extraordinary rumors are current here to the effect that the powers have settled the Chinese question by agreeing to forgive the dowager empress and her Manchou advisers provided they promise to amend their future conduct.

Washington, D. C., June 14.—The navy department has been informed that the Yorktown sailed yesterday from Shanghai for Chefoo. The United States consul at Chefoo informed the state department yesterday of Boxer disturbances at that place, but no particulars were furnished. Chefoo is on the northern coast of the Shantung peninsula.

A cablegram has been received at the state department from Minister Conger, at Peking, stating that Tuan, the father of the heir apparent, has been appointed president of the tsungli-yamen; also that three other new ministers have been appointed, all affiliated with the party opposed to foreigners.

On the whole, Mr. Conger reports the situation is not materially improved. Guards are repelling the railway, and as soon as they have arrived at Peking it is Mr. Conger's belief that the safety of the foreigners at that capital will be assured.

PATHETIC STORY OF A WOMAN'S LOVE

WIFE BUYS OFF HER RIVAL FOR FIFTY DOLLARS CASH

Chicago Woman's Attempt to Regain Her Husband's Love Ends in Suicide—Salvation Army Lassic Accepts Bribe, But Breaks Contract Because \$10 Is Still Unpaid

Chicago, June 14.—A pathetic story of a woman's love and her struggle to keep the affection of her husband was revealed at the coroner's investigation of the death of Mrs. Nels Salstrom of No. 351 Cornell street.

Mrs. Salstrom committed suicide two weeks ago by taking strychnine, but the investigation was delayed until this week on account of the disappearance of the husband. The testimony before Deputy Coroner Weckler disclosed the fact that the heart-broken woman had ended her life because she did not have \$10 to pay Hilma Sunburg, a pretty Salvation Army girl to whom Salstrom had been attentive.

The story told before the coroner by Hilma was that Mrs. Salstrom had promised to pay her \$50 if she would never speak to her husband. Mrs. Salstrom paid her \$40, but could not get the other \$10 and in her misery she learned that Hilma met her husband clandestinely. Then she gave up hope and decided to end her existence.

Salstrom disappeared after her death and the neighbors notified the police. The husband was traced to Mendota, Ill., and then to Holland, Mich. He was brought back to Chicago, but when the jury had rendered its verdict he walked out of the East Chicago avenue police station a free man. Hilma Sunburg was at his side.

Mrs. Salstrom came to Chicago in 1882. She was then Augusta Peterson. By hard work in a tailor shop, where she labored for ten years, she saved \$2,000. She was a devout Christian and attended Moody's church. There she met Salstrom in 1898. Salstrom wore a Salvation army uniform, and made love to the humble shop girl. They were married in January, 1899; and with his wife's money Salstrom started a flour and feed store. But he was not successful and sold out his store to start in the saloon business. The saloon did not pay, and the place was closed up. Mrs. Salstrom went to work in the tailor shop again.

The loss of money did not worry her, but she learned that her husband paid a great deal of attention to Hilma Sunburg. She summoned Hilma, and begged her to give up the man she loved. Hilma agreed to do so for \$50. Mrs. Salstrom paid her \$40, but when she could not raise the remainder Hilma considered the contract broken.

ROGER DEAN ORVIS IS DEAD

Popular Student of Beloit College Has Passed Away

New York, June 14.—[Special]—A gloom is cast over Beloit College, owing to the news yesterday afternoon of the death of Roger Dean Orvis, president of the class of 1901, at his home in Milwaukee, of typhoid fever. Mr. Orvis left college a week ago Monday, on account of ill health, and was sick but ten days. He was a member of the Beta Theta Pi fraternity, and was one of the leading workers in preparing for the celebration of the Beta's fortieth anniversary June 18, 19 and 20. He was also one of the Beloit-Knox debating teams and was appointed to speak on the Junior extemporaneous speaking contest next week. Owing to Mr. Orvis' death the Beta fraternity will not celebrate their fortieth anniversary. Mr. Orvis was loved by all his college associates and professors, and the whole college is crushed by the unexpected news of his death. Members of the Beta fraternity and of the class of 1901 will go to Milwaukee to be present at the funeral.

France Won Automobile Race.

Paris, June 14.—[Special Cablegram]—Charron, a Frenchman, won the automobile race from Paris to Lyons. The time was nine hours, thirty-three minutes. Winton, the American was last owing to an accident.

Goebellies in the Saddle

Louisville, Ky., June 14.—[Special Telegram]—The democratic state convention this afternoon. The Goebellies are in the saddle. Peace conciliation of the elements will be a feature. The platform will endorse Bryan, Goebelle's assassination will be condemned and Mount of Indiana rapped for refusing to honor Taylor on the Finley requisitions.

Hearst for Vice President.

Sacramento, Cal., June 14.—[Special Telegram]—The democratic state convention today elected delegates to Kansas City, endorsed Bryan, denounced trusts and imperialism and re-affirmed the Chicago platform. They will probably endorse Hearst for vice president.

Railway Accidents.

There were 2,431 train accidents in the United States in 1899, against 2,228 in 1898. The killed numbered 589, and the injured 2,061. This exceeds the total killed and wounded in the Philippines during the eighteen months ended Dec. 31, 1899, the excess in killed being 24 per cent and in wounded 11 per cent.

KROONSTADT HELD BY LORD ROBERTS

BOTHA FIERCELY RESISTING THE BRITISH ADVANCE

Heavy Fighting Yesterday in Which the Boers Were Finally Dislodged From a Strong Position—Burghers Give Up Laing's Nek—Lyttleton Has Occupied Walkerstroom.

London, June 14.—[Special Cablegram]—Gen. Roberts telegraphs from Pretoria under date of June 13: "Kroonstadt is strongly held. Methuen visited the place yesterday from Hoxing spruit and found all quiet. He has returned to Rhenoster river.

"We were engaged all yesterday with Botha's army who fought with determination, holding the cavalry on both sides" but Hamilton, assisted by the Guard's brigade and the Pole Carrows division, took the hill in front, causing the enemy to retire to their second position eastward. Our casualties are moderate. Later the enemy evacuated a strong position during the night moving eastward. Buller's force afforded mutual assistance.

"The occupation of Pretoria has caused the retirement of many Boers from Laing's Nek while Buller's advance to Volksrust has caused them to fear danger from the rear. Buller today announces that Lyttleton has occupied Walkerstroom."

TO SUCCEED DR. ANDREWS

Edwin G. Cooley Elected Superintendent of Schools in Chicago.

Chicago, Ill., June 14.—Edwin G. Cooley was last night elected by the trustees of the Board of Education to succeed Dr. E. Benjamin Andrews as superintendent of Chicago's public school system. Mr. Cooley is at present superintendent of the Chicago Normal school.

TAMMANY ICE WILL AID IN CAMPAIGN

New York Republicans Will Apply this Corruption Discovered in Speeches This Fall.

New York, June 14.—Republican officials appear happy and contented over the embarrassing position of the local democratic leaders in connection with the ice trust. It is known that every point in the ice trust investigated is being carefully watched by republican leaders and orators, who expect to use it for ammunition in the fall campaign. They are certain that the scandal will cost the democratic party several seats in the senate and assembly and possibly a congressman or two.

Republicans smile when they ask what will become of Tammany Hall's great anti-trust issue. They say that Tammany hall will now have to defend the trusts or discipline its guilty leaders.

FREIGHT TRAIN RUNS INTO STREET CAR

Three Women Killed and About a Dozen Others Injured at Hutchins.

Hutchinson, Kas., June 14.—[Special Telegram]—A Santa Fe freight backed into a loaded street car at midnight, killing Mrs. J. S. Patten, Mrs. George Koon and Mrs. Wm. Burtch. A dozen others were injured.

High Compliment to Newspapers.

Bishop Potter is telling a story of a brother divine who read some exciting news in his morning paper. The divine desired to refer to the news in the evening prayer and when the congregation had assembled he began: "O Lord, thou doubtless has noticed in this morning's paper," etc. Bishop Potter reckons this the greatest tribute he ever heard paid to a newspaper. And he doesn't say that the tribute was not deserved, either.

Savings Banks in Schools.

The school savings banks system which was introduced in one school of Long Island City, N. Y., in 1885, is now found, Jan. 1, 1900, in ninety-seven cities of fifteen states. Out of a register of 179,630 pupils in attendance in these schools 52,694 have saved the sum of \$806,015.97, of which \$525,209.27 has been withdrawn, leaving a balance of \$280,806.20 due depositors.

Modern Modes Amid Ancient Scenes.

An Egyptian paper announces that "first class, up-to-date, modern dining cars" are to be run this season between Cairo and Luxor and that "an American dentist has started in business at Assouan, which is on the edge of the Soudan." A "palace hotel" at Khartoum for the special accommodation of tourists will also be completed and opened for business in about three months.

Mrs. Gladstone Is Dead.

MEETING OF STATE BANKERS

Wisconsin Convention to Be Held in Milwaukee, August 14.

The first meeting will be held on the evening of August 14 in the club room, and will be followed the same evening by a reception at the Deutscher club. A business meeting will be held the following day, with sessions afternoon and evening, and the program will close with a banquet in the Hotel Pfister.

BADGER DEMOCRATS IN A BAD PLIGHT

Struggle for the National Committee man Will Be Carried to Kansas City—Wall To Fight.

Milwaukee, Wis., June 14.—Chairman Jones of the Democratic National committee is to be dragged into the fight in the Wisconsin democracy. It is now generally conceded that T. E. Ryan won in the fight for the National committee's manhood from this state, but the friends of E. C. Wall are relying on the aid of the national chairman. The plan is for Jones to use his influence in behalf of Wall, with the delegates from this state when they reach Kansas City.

To further this the friends of the present committeeman will begin a letter campaign with the national leaders. They are all influential men in the business world, and it is held that they could present arguments which would show the chairman that he could secure more of a campaign fund in Wisconsin with Mr. Wall on the committee than with Mr. Ryan at the head of affairs.

The Wisconsin delegates held a meeting last night and it was practically decided to elect David Rose chairman of the delegation, although the formal action will not be taken until the delegation is on its way to Kansas City. At the same time another fight which will find its way into the national committee came to the surface.

Mayor Rose has aspirations to be the temporary chairman of the national convention and his friends have been conducting a quiet campaign in his behalf. E. C. Wall as national committeeman will have a voice and it is certain he will be opposed to Rose if the latter adheres to the promise which he made to vote against Wall.

Two Drowned at Oconomowoc

Oconomowoc, Wis., June 14.—Louise Boisclair and Josie Pruess, the maid and cook in the family of Mr. and Mrs. A. J. Aikens of Milwaukee, drowned last night in Oconomowoc lake at Gifford in sight of their summer cottage and not far from the shore.

Costly Yacht a Failure.

The new yacht built for Queen Victoria in the government dockyards, at cost of about \$2,500,000, will probably never be used by her majesty. The yacht's instability, so palpably demonstrated at the time of her undocking, has caused the queen to take a strong dislike to the vessel and the alterations necessary so materially reduced her comfort and convenience that it is believed they will render the vessel unsuitable for the purpose originally intended. The probability is that the yacht will ultimately be renamed the "Enchantress" and converted into a dispatch vessel for the use of the admiralty.

Home Model for Office Use.

"Henrietta," said Mr. Meekton, as he paused on the front step, "could you remember what it was you said yesterday when you so properly reproved me for leaving the door open?" "I think I can; but I hope I shall not have occasion to use it again." "Could you give me the exact tones and the gestures?" "Yes." "Well, I wish you would. I have an office boy who leaves the door open continually, and if you could teach me to make that speech it would certainly be a great help to me in my business."—Washington Star.

Dull Trade in Jewelry.

This is the worst season London jewelers have known for years. Orders are few and far between, and but for the inevitable wedding presents, which, of course, go on forever, their business would be at a standstill. On the other hand, never have they had so many jewels offered to them for sale by women and the conclusion is that many wives of officers who have gone to the front have sold their jewels in order to find money to provide the necessary kit.

SCOFIELD MAY BE THE DARK HORSE

Mark Hanna Says, Bliss, Allison and Roosevelt Are Out of It.

BOOMS ARE SHIFTING

Republican Vice Presidential Nomination Is Still In Doubt.

PLENTY OF RUMORS AND TALK

Philadelphia, June 14.—[Special Telegram]—The national republican committee met again at eleven o'clock this morning. The sub committee had been in session for some time before considering the Addicks Dupont case. The first contest called this morning was from the Fourth congressional district of Georgia where two sets of delegates were selected. The committee decided in favor of J. H. Devereaux and J. K. Love against Postmaster Doyle of Savannah and W. R. Lowe.

Bliss and Allison Are Out.

Hanna today said: "Bliss and Allison I am afraid must be counted out because of their refusal. I'll protect Roosevelt to prevent a stampede of the convention to him. Woodruff cannot be nominated. That brings us back to Dulliver and Long, both good men. 'Will there be a dark horse?' 'It is a little too early to say. When all the leaders get on the ground the matter will be talked over. We may then bring out somebody like Fairbanks, Washburn, Scofield or Scott, of California.'"

Allison Or Bliss.

Philadelphia, Pa., June 14.—Hide and seek continued to be played with the vice presidential nomination today. Dulliver went into the background and Senator William B. Allison came to the front. There is a strong Allison feeling in the air.

Senator Hanna is said to be pursuing the Iowa senator with the nomination. On the other hand, Senator Allison is understood to be pursuing Cornelius N. Bliss, and the story here today is that he has gone to New York for the purpose of seeing Mr. Bliss and Senator Platt. As an agent of the administration he wants Senator Platt's assent to the nomination of Mr. Bliss, and if that be given the president thinks Mr. Bliss will accept.

Spice in the Situation.

It is believed that the strong impression that Senator Allison would be the candidate was permitted by Senator Hanna to be formed at this time in order to cover the diplomatic negotiations in which Senator Platt and Mr. Bliss now figure.

Today has been made interesting by the contemptuous rebuff Senator Hanna gave the Woodruff candidacy, by the attacks which have been made on Representative Dulliver and by the tart criticisms of Senator Hanna's assumption of authority by the friends of Mr. Woodruff, M. S. Quay and Gov. Tanner of Illinois. These things added spice to the situation.

New York Can Have It.

Hanna said today: "I have no choice. Neither has the president. If we had a choice we would not make it public."

"Do you consider New York out of it?"

"New York can have the vice presidency if it has the man. We do not need a man to strengthen the ticket because President McKinley is stronger than his party. We want a man for vice president in whose integrity and ability the public would have confidence in the unlooked-for contingency of a vacancy in the presidential office."

"Would it be policy to have the vice presidency go west of the Mississippi?"

"Some think so. I repeat Allison is the best man mentioned yet."

Charges Against Dulliver.

The attacks that have been made on Representative Dulliver have come from the senators, who do not want the house candidate to win. They say that Mr. Dulliver has charged \$125 a speech for all the speeches he has made in other states than Iowa. The answer to this is that Mr. Dulliver is a poor man and that state committees have always been glad to pay him for his speeches.

The Quay men in Pennsylvania are still charged with deep designs on the harmony of the convention. No one would be surprised to see all the Quay delegation wheel into line for Woodruff. Col. Quay is not here yet and Senator Penner held his proxy in the national committee today. He will be here Friday.

Gov. Roosevelt has continued to be on the tongue of all the delegates today. He cannot be eliminated from the situation, although Frederick S. Gibbs, the New York member of the national committee, has told all inquirers that to nominate Roosevelt for anything but governor would mean the loss of New York's electoral vote to McKinley. There are many who believe in the end that Roosevelt will be nominated for vice president.

Church This Afternoon

The Ladies' Missionary Society of
the Congregational church, held their
annual meeting in the church parlors
this afternoon. The meeting was called
at 3 o'clock. Many interesting reports
on the year's work were given, and off-
icers for the ensuing year elected. Tea
will be served at 5:30 o'clock, to which
the gentlemen are invited. This even-
ing the missionary program will be
given from 7:30 to 8:30 o'clock, the regu-
lar prayer meeting hour. Miss Dixon
of Beloit, and Miss Walker will speak.

FOUR HUNDRED WERE
AT FLAG RAISING

COUNTY CLERK STARR AMONG
THE SPEAKERS.

County School Superintendent David
Throne Also on the Program—Took
Place at the Arnold School Two
Miles West of Aston Yesterday Af-
ternoon.

Four hundred people yesterday after-
noon attended the flag raising ceremony
at the Arnold school two miles west of
Aston. Among the speakers were
County Clerk Frank P. Starr and County
School Superintendent David Throne.
Members of the Aston school attended
in a body accompanied by their teachers,
Prof. Henry and Miss Scott.

The exercises commenced at three
o'clock when the raising of Old Glory
took place amid loud and hearty cheers.
Comrade Barr of Beloit raised the flag
which is a handsome fourteen foot one.
The pole is forty-five feet high. This
program proved a most interesting one
from the start to the close. Besides the
speakers a lady elocutionist from Brod-
head gave several good selections. The
exercises took place in the Moss grove.
At five o'clock the guests partook of a
fine repast.

The day proved that the citizens of
the towns of Rock and Plymouth un-
derstand well the plan of getting up a
successful flag raising event. Much
credit is due the teacher of the Arnold
school who is Miss Hannah Gunn,
daughter of J. A. Gunn of the town of
Rock.

BOWER CITY HORSES
BEING INSURED

Several Animals in This City Now Have
Life Insurance Policies—First
Time Ever Tried Here.

Janesville horse owners are taking
out life insurance policies on their
steeds. The plan is on the same prin-
ciple as life insurance as carried by the
individual. If the horse dies the owner
gets the full amount that he is insured
for. Milwaukee parties are now in the
city carrying out the plan. Said a local
horse owner:

"The plan is just this. I insured my
horse for \$150. When he dies I get
this money. In the meantime if he is
taken ill I have the privilege of calling
on the company's veterinary surgeon
and his services cost me nothing. This
all costs me eleven dollars a year. For
less insurance the annual premium is
less. Much depends on the age of the
animal. If the horse is twelve years or
older some companies will not risk the
insurance."

A Physician's Skill
Can only be measured by the cures
he effects. Dr. Secrist has treated me
successfully for catarrh and a complica-
tion of troubles arising from it. I
cheerfully recommend him as a consci-
entious and exceedingly skillful physi-
cian.

RICHARD C. HUGHES.
Dr. Secrist's splendid reputation in
our county is a guarantee of honorable
and successful treatment to the chronic
sick who consult him. If you are ail-
ing and want an honest opinion on your
case consult the doctor, free, at Park
Hotel, Janesville, on Friday, June 15.

Miss Mary Mount, Graduate.
To Janesville, belongs the honor of
furnishing the only graduate from the
college department of the Milwaukee
Downer College, Miss Mary Mount,
daughter of Mr. and Mrs. James Mount
of this city, being the young lady. The
commencement exercises were held Wed-
nesday forenoon. The president's re-
ception held Tuesday evening was one
of the most pleasant events of the week.
Miss Sabin was assisted in receiving by
members of the faculty and Miss Mount.
Among the guests from this city were
Messdames James Mount, David Jeffris,
Mary M. Carle and Jennie M. C. Keller.

Dr. Secrist will be in Janesville at
the Park Hotel on Friday, June 15.
The doctor's excellent appointment to
the staff of physicians of St. Luke's

The location is a central one.

STARS AND STRIPES
DISPLAYED TODAY

FLAG DAY WAS DULY OBSERVED
IN JANESVILLE.

Old Glory Floated From the Schools and
Many of the Other Buildings of the
Bower City—Many Also Decorated
With Bunting—Other Cities Are
Interested.

Today is flag day, the 125th anniver-
sary of the day on which the stars and
stripes were adopted as the emblem of
the United States of America. In ac-
cordance with a custom inaugurated
five years ago, the occasion was duly
observed in most of the cities of the
country. Janesville among them, by
flags hung out from every flag pole,
public and private.

Early this morning flags were placed
on the schools, engine houses, G. A. R.
hall, many business blocks and private
residences in Janesville. Many of the
business houses and private dwellings
were decorated with bunting of the red,
white and blue order.

The setting apart of June 14 was the
result of efforts made in 1895 by the
National society of the Sons of the
American Revolution. The plan was
not followed by the Wisconsin so-
ciety until the following year, but since
then notices have been sent annually to
mayors of Wisconsin cities and to mem-
bers of the organization and G. A. R.
posts asking them to co-operate in ob-
serving the day.

Soldiers Kill Civilian.

Berlin, June 14.—A case of military
brutality has just occurred at Finken-
walde, Pomerania. Paul Berg and
Richard Dallmann got into an alterca-
tion on the street with several officers,
one of whom drew his sword. Dall-
mann seized the weapon and ran off.
The officer ordered some soldiers who
were passing to pursue the fleeing
civilian and recover the sword. In
carrying out the order the soldiers
wounded Dallmann mortally, his death
ensuing.

CHIEF OF POSSE IS SHOT.

Two Cars Blown Up and a Third Kidnapped.

St. Louis, June 14.—As Col. J. H. Cavender, commanding officer of the sheriff's posse comitatus, was riding on a street car he was struck on the body by a bullet from a noiseless gun, at Tenth and Pine streets. He was struck a glancing blow and not much hurt. Col. Cavender saw the man when he fired on him, and jumped off the car and tried to capture him. The man dodged into a brickyard and escaped.

At 11:45 p. m., as a mail car was coming south on North Broadway, it was greeted with a volley of shots from both sides of the street when crossing Gano avenue. The motorman turned on full power and got away. The car was riddled with bullets, but fortunately nobody was hurt. Frank J. Stevens of 1410 Dillon street was in charge of the clerks.

During the course of a heated argument over the strike, Sherman C. Patterson, president of the local street railway men's union, was stabbed in the back and mortally wounded. Edward Canty of St. Louis is accused of the crime. Patterson was taken to the city hospital, where an examination of his wound revealed that the jugular vein had been perforated. His death is momentarily expected. Canty was arrested.

At midnight a car on the Olive street cable line, at Twenty-first street, was badly damaged by some sort of high explosive placed on the track by strike sympathizers. The roar of the explosion awoke residents for blocks around. No one was injured. A car on the Baden extension of the North Broadway division of the Transit company was blown from the tracks. It is supposed that the car wheels exploded a dynamite cap. The front trucks of the car were almost entirely demolished. Motorman John H. Gray was slightly injured. No arrests were made in connection with the case. John Goettling, who was shot in the back during a disturbance at Fifteenth and Chambers streets, June 7, died, making the twelfth strike fatality.

A Shut-Down at Muncie.

Muncie, Ind., June 14.—The Midland steel works closed down at midnight for an indefinite period, with the notice posted, "Orders short." The employees threaten that within thirty days work may be commenced upon a large co-operative steel mill here to take the entire force from the Midland. W. P. Beaver, New York; S. M. Cooper, E. R. Crawford, Goldsmith, and G. M. McGinnis, Pittsburgh, are here to take an inventory in the Midland.

Wages to Be Increased.

Cincinnati, Ohio, June 14.—It is reported that the Covington, Newport & Cincinnati street railway directors will grant similar concessions to their 700 employees that have been granted on this side of the river by the Consolidated. This will be shorter hours with slightly increased wages. Superintendent James R. Ledyard said that his company would do so in order to place his employees on an equal footing with those in Cincinnati.

Spring Valley Strike Ends.

Spring Valley, Ill., June 14.—The strike has been declared off by President John M. Hunter and the United Mine Workers after having lasted just fifty days and at a cost of \$50,000 to the Spring Valley Coal company. General Manager S. M. Dalzell of the company telegraphed his signature to the articles of agreement from Chicago. He recognized the Hoisting Engineers' union.

Strike in Newfoundland.

St. Johns, N. F., June 14.—The strike situation at the Belle Island mines has become more serious. Steamers cannot load ore. The strikers now assume a threatening attitude and mutterings of an ominous nature are heard.

LYMAN ABBOTT ON LABOR.

Favors Laws to Force Corporations to Accept Arbitration.

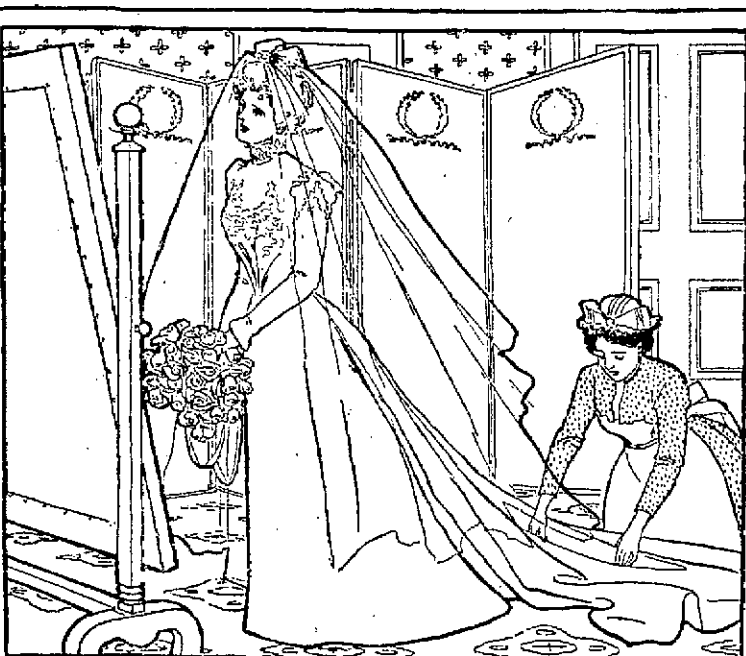

Cleveland, Ohio, June 14.—Dr. Lyman Abbott in an interview here touching on the St. Louis strike and similar labor troubles declared that no municipality ought ever to have relinquished the control of the streets to a private corporation. He added: "Where the city has given the control of its streets to a private corporation it cannot take that control back without making compensation. But it can insist that the corporation shall manage the highways both in the interest of the public and in justice to its employees. There should be a law giving to employees of any city railroad the right to present their grievance to a disinterested tribunal. The tribunal should have power to require the corporations to accept the decision or surrender their franchises to those who would."

Weds a Red Cross Nurse.

Wabash, Ind., June 14.—Miss Susan Holderman, who gained distinction as a nurse of the Red Cross society in Cuba, was married at her home in North Manchester to the Rev. William Howe of Deshler, Ohio. The ceremony was performed by the Rev. D. M. Howe, a brother of the groom. The Rev. W. Howe was formerly connected with Manchester college and is widely known in educational circles. The couple will reside in Porto Rico, where Mr. Howe will teach.

Des Moines, June 14.—Several hundred representative bankers and business men from all over the state are here to attend the annual meeting of the Iowa State Bankers' association, which was called to order at the Savery by President Charles M. STRONG TESTIMONY.

This is Janesville Testimony and Will Stand Invest.

igation. If you doubt the following and wish to investigate, you haven't to go to some other State in the Union to prove it. It's not a long story published in Janesville newspapers about a resident in Kalamazoo, Mich., or Tampa, Fla. It's about a resident of Janesville and given in his own words. No stronger proof can be had.

Mr. E. T. Fish, of 355 Racine St., proprietor of the Fish Dry Line, says: "When I was twenty years of age I fell, injured my back, and ever since that I was troubled more or less with a dull, aching pain across the loins. It never laid me up but it was often painful and annoying. Of late years I have gone to a physician every six months and had myself thoroughly examined under the impression that there might be something wrong with my kidneys. The diagnosis always resulting in the physician claiming these organs were sound, but as the pains existed when I happened to notice in our Janesville papers that Doan's Kidney Pills were guaranteed to cure just such troubles, I procured a box at the Janesville Drug Co.'s store, and took them. Doan's Kidney Pills are a good preparation. My back has not ached since I used them. I have heard others speak very complimentary of them and if I did not know their merit and required such a medicine I would consider it a favor if some one suggested their use to me. For this reason I endorse them."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name, Doan's, and take no other.

Second and Last Auction Sale of Forest Park Lots! Thursday, June 21, at 2:00 P. M.

FREE TICKETS from Grand Hotel, People's Drug Store and Myers House to the Eastern end of the Forest Park line will be given to all who desire to visit Forest Park, from Saturday noon, June 16th, to 4:00 p. m., Thursday, June 21st.

At our May 19 Auction Sale we disposed of twenty-nine lots at very low prices. Some of the buyers have since been offered an advance over the price they paid. Among the buyers were J. M. Bostwick, James Fathers, City Treasurer; W. J. McIntyre, late County Clerk; and Judge Fifield, of the Municipal Court; James McKewan and W. W. Watt. These men know what real estate in the Third Ward is worth and they bought as a speculation. We have twenty-four beautiful lots left and will close them out at auction on Thursday, June 21, at 2 o'clock P. M. They are described as follows, to-wit:

- Lot 11, Block 1, Jefferson ave., is a very fine lot facing the east and is the third lot north of Norcross street.
- Lot 6, Block 3, is on the east side of the boulevard, just north of and adjoining Mr. Witherell's fine residence.
- Lot 4, Block 6, has the least value of any lot named in this list; it fronts Garfield ave., and is north of the Holdredge property; it is however, a very pretty lot.
- Lots 2, 3 and 4, Block 5, front west on Garfield ave., and are very fine lots; very near to the city. Across the ravine and east of Arthur Harris' elegant home.
- Lots 1, 2, 3, 4 and 5, Block 10, are beautiful lots, 8 rods front; 10 to 12 rods deep, plenty of good oak trees; near the street car line and facing east on the boulevard.
- Lots 1, 2, 3, 6, 7 and 8, sub-div. Block 2, are in the southerly part of the Park—three of them face Bostwick ave., and Grace Court and the other three face South on Racine street.
- Lots 2, 3, 4, 5 and 6, sub-div. Block 1, are between Bostwick ave. on the east and the Blvd. on the west. They are 80 ft. wide, except lot 6, which is 4 rods wide on the Boulevard. They are from 165 ft. to 180 ft. long and have a front on Bostwick ave. of from 53 1/2 ft. to 66 ft. 3 inches on Bostwick ave., with plenty of good trees. Two of these lots would make a real homestead, away from the noise and dust of the railroad and shops—a splendid place for children.
- Lots 11 and 12 on Block 11, are south of Alderman Gilkey's homestead, and east of Wallace Carrier's fine lots. They are on the corner of Wells St. & Garfield ave. These lots will be sold at the buyers' price, and will prove an excellent investment.

Each lot for sale has a red tag, giving number of lot. **Every Lot will be sold to the highest bidder** and there will be no "by bidding" whatever. There will never again be such an opportunity to procure first-class lots at such low prices. **TERMS:** 5 per cent. discount for cash; or, 2-5 cash, and 2-5 of purchase price in one year with interest at 6 per cent., and the remaining 1-5 in two years at 6 per cent. interest. Notes secured by mortgage.

THIS DAY IN HISTORY.

1493—Fate of MacLure.
1772—Emanuel McArthur, soldier, congressman and early governor of Ohio, born in Dutchess county, N. Y.; died near Chillicothe, O., 1830.
1777—First form of American flag decreed by congress. The resolution read: "that the flag of the 13 United States be 13 stripes, alternate red and white; that the Union be 35 stars, arranged in a blue field, representing a new constellation." The flag of 1777 remained as adopted until 1794, when two additional stripes and two stars were placed in for Vermont and Kentucky. The present form is 13 stripes and a star for every state. This was adopted in 1816.
1802—Battle of Marengo.

THE DEMOCRATIC PLATFORM.

Briefly stated, the Badger state democracy, in convention assembled, adopted a platform declaring for the Chicago platform of 1896, and William J. Bryan, and AGAINST anything and everything that the republicans do now or may in the future advocate. The platform was composed wholly of what are popularly called "glittering generalities"—sentences that mean nothing although drawn to sound good. The principal plank is found in paragraph 3, which reads as follows:

"3. We denounce the republican party for its brazen inconsistency in treating Porto Rico as a part of our territorial possessions and at the same time unjustly discriminating against its people, as well as our own, by imposing a burden of tariff in express violation of the constitution of our country; in establishing a system of imperialism grossly repugnant to the spirit of our institutions and necessitating the maintenance of a system of militarism that threatens the perpetuity of our government; for the sole purpose of gain and conquest; in establishing for all time a scheme of taxation under the guise of war taxes for the purpose of maintaining a standing army at a time when peace should prevail, and providing revenue necessary by a policy of exorbitant and prohibitive tariff in imposition of the interests of monopolies and trust combinations that have been fostered by the present administration; in the profligate and corrupt use of the public funds to fraudulent army contracts and the purchase of war supplies, and we point to the rigid postal frauds in Cuba as a fair example of republican integrity."

What idea do you get from that paragraph, Mr. Reader? Anything more than that Wisconsin democrats are opposed to everything that is, and in favor of everything that isn't?

BUCKLEY AT MILWAUKEE

Hon. Cornelius Buckley of Beloit, evidently was in control of the First District caucus at Milwaukee, and this congressional division was solidly in line for Mr. Ryan. The Milwaukee Evening Wisconsin reports the proceedings at the caucus as follows:

The Ryan men carried the First district caucus with a whoop after a long-drawn out battle in room 430 in the Plunkinton house. The district delegates elected are Ryan men. The meeting was called to order by W. J. Vance of Racine. J. J. Cunningham of Rock county, and L. F. Moore of Janesville, were made chairman and secretary of the meeting. A. S. Gallagher of La Fayette county, placed T. H. Darle of La Fayette county, the western end of the district, in nomination for delegate to Kansas City. Mr. Darle has been for four years chairman of the democratic committee in his county. Judge J. N. Becker of Green county made a speech in which he said he opposed the separation of the flag and the constitution and he nominated Gilbert G. Hodges of Monroe, Green county, for delegate. L. G. Brown of Walworth county proposed a young man from Burlington, Janesville, county, namely R. E. Richardson. J. H. Fryer of Whitewater, Walworth county, proposed a Norwegian democrat, Oscar Hanson of Whitewater. J. L. Mahoney of Janesville announced that Messrs. Richardson and Hodges were unable to go to Kansas City. The representatives on the committee were chosen as follows: Creditors, Cornelius Buckley of Beloit; permanent organization, T. M. Kearney of Racine; resolutions, J. L. Mahoney of Janesville.

"I'm going to Kansas City to see the next President of the United States nominated," says Mayor Rose of Milwaukee. As the Hon. Mayor makes this remark as glibly as he made the statement that he was "going to Washington to get the democratic convention" he must be in earnest. We have not heard, however, that Mr. McKinley was to be in Kansas city this summer, but perhaps the Hon. Mayor has other advice.

The Chinese minister at Washington compares the St. Louis "war" to the trouble with the "Boxers," and asks why foreign nations should not also land troops to preserve the peace in the Missouri city. The comparison may not be well founded, but it is not nonsensical, either.

And Rock county went against Mr. Wall in spite of the leaves and fishes of former days. Blessed be he who seeks nothing, for he shall find it.

Mr. Buckley is quite a magnanimous boss, and allowed the Rock county dele-

gation to be represented on two committees—one by Mr. Buckley and one by Mr. Mahoney. The others, however, were only allowed to vote when their names were called.

There is money to be in the political game, apparently, for William J. Bryan, who was a poor man four years ago, now pays more taxes on personal property than any other man in Lincoln county.

Beloit manufacturers recently shipped another big lot of paper mill machinery to China. The shipment filled fourteen freight cars, and is constructed with a view to making Chinese tissue paper.

Two more Filipino generals have been captured and some few are still at large. Private soldiers, however, are as scarce in the Philippines as they are in Kentucky.

Admiral Schley has written another letter positively declining to accept any political honors. Admiral Schley is wise now, but there is no telling how soon he'll lose his wisdom.

Admiral Dewey certainly will not act as the tail to the Bryan kite, as he declares that "Bryan will be whipped to a finish."

And some of the Chinese war dispatches come from Chin Kiang—and that's about all there is to them.

Mr. Bryan is now fishing* in Northern Wisconsin.

Wheat opened up on flood of bad crop reports from north-west and an absence of rain again in northern sections. Later signal service predicted rain for tonight and tomorrow for entire north-west.

This started liquidation which was on very large scale and continued all day. Few reports claimed benefit to crops from recent rains and railroad advices states that damages had been greatly exaggerated. Liverpool was 3 d higher. Paris 10 centimes higher. Primary receipts were lighter than a year ago and clearances were small. Some damage reports were received from south-west. Argentine shipments were large, 1,832,000. First car of wheat was received at Kansas City and sold at 70 cents. 20 loads were taken for export.

Corn was easier with moderate amount of selling by scattered longs. Country acceptances were light and primary receipts and clearances. Cash sales were about 300,000. Liverpool closed 3 d higher. At seaboard 76 loads were taken for export. Argentine shipments 904,000.

Oats were a strong feature, being sharp rise in July said to have been due to fear of a squeeze in that option. Shorts were chief buyers. Elevator people sold, at sea board 70,000 bushels were taken for export.

Provisions: Quiet and a shade easier. Packers were credited with selling hard freely. Outside demand for product was slow. Receipts of hogs at eight points were 75,800 against 79,000 last year. W. T. CARPENTER.

Flags Wrought by Women.

Among Napoleonic relics sold in London recently was a remnant of the flag made by the women of St. Helena which covered Napoleon's coffin when conveyed to the French warship Belle Poule for transportation to France. It has always been a favorite occupation of women who have any military connections to embroider these emblems and the flag now floating over Lady-smith was worked by Lady Roberts.

COMMISSIONERS APPRAISE DAMAGE

JANESVILLE COTTON MILLS INTERESTED

Seems That the Janesville & South-eastern Railroad Company Will Have to Pay Land and Water Owners in Monterey—Appraisers Worked Seven Days.

Commissioners appointed by the Rock county circuit court to appraise lands in the city of Janesville through which the Janesville & Southeastern railroad will pass have made their report. The appraisers were C. C. MacLean, C. K. Millmore and Samuel C. Cobb. Their report is as follows:

Two hundred and fifty dollars was the amount of compensation allowed George H. Smith, Frederick A. Smith and Anna B. Baker in full payment for lot number seven in block number twenty-nine in Smith's addition to Janesville.

Seven hundred dollars was allowed Hannah Arquette for lot number six in block number twenty-two Smith's addition to Janesville.

Two hundred dollars was allowed Charles L. Valentine as executor and trustee under the will of Richard O'Donnell deceased for lot number two in block twenty-five Smith's addition to Janesville.

One hundred and seventy-five dollars was awarded Thomas Croft for portions of lots number fifty and fifty-one in Millmore's addition to Janesville.

Three hundred and fifty dollars was allowed the Janesville Cotton Mills for a portion of a track of land eight rods square on lot number 1, Millmore's addition to the city of Janesville.

Fourteen hundred and sixty one dollars was allowed the Janesville Cotton Mills and John Watson, as trustee, for that portion of a tract of land eight rods square of lot number one, Millmore's addition.

Three thousand four hundred and sixteen dollars and twenty-eight cents was allowed the Janesville Cotton Mills for crossing the raceway at Monterey, being a strip of land one hundred and forty feet in width, and over and across lot number one hundred and thirty-eight in Millmore's addition. In crossing the race the stipulations are that the railroad company can construct a pier not exceeding seven feet in width above the footing course and thirty feet in length, and such height as the railroad company shall deem necessary.

It is said that the Janesville Cotton Mills asked for a fifteen thousand dollar compensation. The three commissioners were seven days in the discharge of their duties.

ELECTRIC ROAD LOOKS LIKE A GO

A Fifty Year Franchise Is Asked By The New Company In Winnebago County, Ill.

It looks like the Rockford, Beloit and Janesville electric road was a sure thing. At a meeting of the board of supervisors at Winnebago county, Ill., held at Rockford, Ill., yesterday, a petition was presented by Glenn E. Plumb, representing Illinois and Rock River Railway Company asking for a fifty year franchise to operate an electric road from Rockford to the county line, and to be given two years to complete the track and getting in readiness for business. The petition was favorably received, but on account of the absence of the state's attorney whose opinion was wanted on a few points it was laid over until today, otherwise it would have been passed at once.

There has been considerable activity displayed in the matter lately in this state. Application has been made to the secretary of state at Madison, Wis., for a franchise. A number of eastern capitalists have been in the city within the last few weeks looking over the proposed route and examining into other things which will necessarily come up. The value of this line should not be underrated, as it will open up a new line between the several cities on the proposed route, and offer to the public a quick, pleasant mode of travel and increase the social relations in a marked degree.

A Jolly Fishing Party

A jolly fishing party composed of W. H. Merritt, E. D. McGowan, J. C. Harlow, City Attorney Burpee, E. Tracy Brown, and Messrs. Crawford and Chilton of Chicago, guests of J. C. Harlow, left at an early hour this morning for Indian Ford. Judging by the amount of bait and tackle taken, it is safe to say there will be no fish left in the river at that point tomorrow. Housekeepers expecting to purchase fish for Friday had better delay their purchases, as no doubt this party will have a large number to dispose of.

JANESVILLE WILL CELEBRATE JULY 4

BUSINESS MEN AT MEETING LAST NIGHT SO DECIDE.

Finance Committee Was Appointed and Chairmen of the Various Committees to Take Charge of the Event—Some New and Novel Features Will Be Introduced.

The Fourth of July conference held last evening at the common council chambers settled the question as to whether or not Janesville wished to celebrate. There was a large and enthusiastic gathering of prominent citizens present, all the seats in the room being occupied. The greatest enthusiasm prevailed and it will not be the fault of the committees in charge, if proper encouragement is given by the people, if this celebration does not surpass all previous efforts.

Mayor Richardson presided and called the meeting to order. Geo. D. Simpson was elected chairman and Burton P. Nowlan secretary. It was declared to be the sense of the meeting, that a celebration be held.

The following gentlemen who have had the canvass for funds in hand were appointed as committee on finance: I. F. Wortendyke, chairman; E. C. Johnson, George King, Amos Rehberg and W. W. Emmons.

George D. Simpson was chosen chairman of the amusement committee. The chairmen of the various committees were given the power to select the other members of the various committees.

The following are the chairmen of the different committees: George D. Simpson, executive; C. S. Putnam, advertising; W. E. Evenson, decorating; H. H. Bliss, circus; W. H. Greenman, music.

I. F. Wortendyke was re-elected treasurer and C. D. Child chief marshal.

Mayor Richardson suggested that the amusement committee make arrangements to furnish entertainment until 10 o'clock at night, which suggestion was favorably received. Quite a number present favored a display of fireworks in the evening and thought there would be no trouble raising the money to meet the extra expense.

The meeting adjourned until Friday evening when the various committees will meet.

NO BAND CONCERTS AT CORN EXCHANGE

West Side Merchants Have Not Been as Liberal With Their Money as the East Siders.

Members of the Imperial band will give the first of a series of summer band concerts in this city next week. The intention is to give a concert once a week. The band committee have succeeded in securing about \$100 from the merchants of the city. The greater portion of this money was collected of East Side merchants and merchants whose places of business are east of River street. For this and other reasons the summer concerts this year will be held in the Court House Park exclusively and not on the Corn Exchange. The plan of holding all the concerts in the park is a much better one as there one finds plenty of room.

ELKHORN CHILDREN ATTENDED PICNIC

Made the Trip to This City to Attend the Picnic Given by St. John's Church at Crystal Springs Park.

Two carriages filled with children arrived in the city this morning from Elkhorn. Rev. Stubenvoll was in charge and the trip was made without accident. On their arrival here the children were escorted to the boat dock where they boarded the steamer Columbia which conveyed the merry throng of visitors to Crystal Springs park where was being held the annual Sunday school picnic held under the auspices of St. John's church of this city. This morning the children of the Sunday school marched through the city headed by the Grand Army file and drum corps. The procession made an excellent showing and was in charge of ex-Alderman Henry Kueck. During the day the boats carried many people to the park. An excellent program was in order consisting of games for which prizes were offered. A grand picnic dinner was served. The picnic proved most enjoyable and all who attended report plenty of fun and recreation.

At a meeting of the park committee of Athletic Park held at the office of Chairman William McVicar last evening, arrangements were made to have a game of base ball some time next week between the Jefferson team, if it can be secured and a team from this city.

It is hoped by the committee that enough good players can be secured from this city and from some of the nearby college teams to put a nine in the field that can play good ball and hold their own with any team that may be engaged. The management realizes, that to make the park a success, they must have a team that can play good fast ball, and let the patrons of the game understand they will always get a good game for their money.

Correspondence is now in progress with several good players and indications are they will be secured. It is hoped the management will be successful in their efforts, as a good ball team is a credit to the city.

FIGHT AT ALLEMANN'S NEK.

Twenty English Killed and 113 Wounded.

TWO OFFICERS AMONG DEAD.

Boers Report Heavy Fighting Near Eerste Fabricken and Donker Hoek—Roberts Engaged Botha Near Pretoria—Methuen and Kitchener Win.

London, June 14.—A dispatch from Gen. Buller, dated Ingogo Station, June 13, says that the British casualties at Allemann's nek were 2 officers killed and 6 wounded, and 18 non-commissioned officers and men killed and 113 wounded. An unofficial Boer story that comes by way of Lourenco Marques mentions very heavy fighting near Eerste Fabricken and Donker Hoek, which is apparently the same action. According to this brief account the British were repulsed. There seems to be no reason for accepting the story as true.

ROBERTS FALLS ON BOERS.

Engages Botha Near Pretoria—Burghers Not Beaten.

London, June 14.—After a week's silence Lord Roberts has been heard from, his line of communications having been practically restored by means of a complete victory gained by Gens. Methuen and Kitchener over Gen. De Wet at the Rhenoster river yesterday. The Boer camp was captured and the burghers, it is added, were scattered in all directions.

Lord Roberts, on being notified of the cutting of his line of communications, sent Gen. Kitchener in all haste to join Gen. Methuen. June 11 Lord Roberts attacked Gen. Botha, who was in strong force fifteen miles southeast of Pretoria. After strenuous opposition, the British forces gained considerable ground, but Gen. Botha, when Lord Roberts left the field, was still undefeated.

All is quiet at Pretoria and Johannesburg and Lord Roberts says the government need have no apprehension about the security of the army in South Africa, as it will not take long to remedy the reverses and repair the railroad.

Norwegian Bark Is Lost.

Norfolk, Va., June 14.—Sixteen men, captain and crew of the Norwegian bark Cleveland, were brought in here by the British freighter Iran of the William Johnson line, Captain Jacobs commanding. The freighter, bound from Liverpool to Norfolk, took Captain Paul Vinnes and his fifteen men off the Cleveland and left her off the Irish coast June 4 in a fair way to go to the bottom within a few hours. Death did not seem far away to the crew of the bark when the Iran came in the night and rescued them. The bark was abandoned in latitude 48.53 north, longitude 27.18 west. The ship's chronometer and the crew's dunnage was saved.

Ohio Democrats Fail to Clearly Reaffirm Chicago Platform.

Columbus, Ohio, June 14.—The Democratic state convention was called to order at the Auditorium at 10:40 a. m. today by William S. Thomas of Springfield, chairman of the state committee. Portraits of Bryan, Thurman, Jackson, McLean and others were conspicuous. The platform in part reads: "We, the Democrats of Ohio, in convention assembled, reaffirm our adherence to the Democratic national platform adopted in Chicago in 1896. But new and grave issues have arisen, threatening the safety of free government itself, which should command at this time the most serious attention of all patriotic citizens.

"We denounce the currency law passed by the present congress, which transfers to the banks the entire control of the paper currency, thus laying the foundation for a money trust which will have power to control the prices of all property and to stimulate or strangle business; on the other hand, by requiring the government to redeem all forms of currency in gold, it continues and multiplies the evils of the 'endless chain' and imposes upon the government the entire burden of supplying gold for export whenever demanded, and to obtain which it must issue bonds when necessary, thus necessitating not only a perpetual debt, but a perpetually increasing debt.

"We affirm anew our undiminished faith in the acknowledged leader of our party, William J. Bryan, and demand his nomination at Kansas City for president of the United States, and the delegates elected by this convention are instructed to so cast their votes." A resolution was adopted requesting the Ohio delegation to Kansas City to present a proposition to the national Democratic committee to locate their headquarters in Columbus.

The ticket nominated is as follows: Delegates at large—James Kilbourne, Franklin; W. S. Thomas, Clarke; A. W. Patrick, Tuscarawa; Horace L. Chapman, Jackson. Alternates—John McSweeney, Wayne; M. O. Burns, Butler; E. L. Baumgartner, Hamilton; N. B. Clyburn, Highland. Electors at large—Gen. A. J. Warner, Washington; Gen. L. N. Sherwood, Cuyahoga. Secretary of state—H. H. McFadden, Jefferson. Supreme judge—Allen Smalley, Wyandot. Dairy and food commissioner—Ballard B. Yates, Pickaway. State school commissioner—J. D. Simkins, Auglaize. Member of board of public works—P. W. Brown, Ross.

After nine hours' continuous session the convention adjourned.

Lydia E. Pinkham's Vegetable Compound Relieves the Suffering from Overwrought Nerves.

"DEAR MRS. PINKHAM:—I am so grateful for the benefit derived from the use of Lydia E. Pinkham's Vegetable Compound that I wish you to publish this testimonial that others may know the value of your medicine. I was suffering such tortures from nervous prostration that life was a burden. I could not sleep at all and was too weak to walk across the floor without aid. The disease had reached a condition where my heart was affected by it, so that often I could not lie down at all without almost suffocating. I took Lydia E. Pinkham's Vegetable Compound and it worked like magic. I feel that your medicine has been of inestimable benefit to me."—MISS ADELE WILLIAMS, 196 N. Boulevard, Atlanta, Ga.

Thin, Sallow and Nervous
"DEAR MRS. PINKHAM:—I was thin, sallow and nervous. I had not had my menses for over a year and a half. Doctored with several physicians in town and one specialist, but did not get any better. I finally decided to try your medicine, and wrote to you. After I had taken three bottles of Lydia E. Pinkham's Vegetable Compound and three of Blood Purifier, my menses returned, and I feel as well and strong as I ever did, and am gaining flesh."—MISS LENA GAINES, Visalia, Tulare Co., Cal.

Posse with Bloodhounds Searching the Woods—They Promise a Lynching if They Can Catch the Assaulter of Corn Bowers, the 17-Year-Old Victim.

Canal Dover, Ohio, June 14.—Burned, bruised, bleeding and unconscious, pretty 17-year-old Corn Bowers, daughter of W. W. Bowers, a well-known citizen of New Philadelphia, the county seat, three miles from here, was found in the back yard of her home in St. Clair street, in the heart of the city. When she regained consciousness Miss Bowers told a story of a most fiendish assault by an unidentified ruffian, whom a posse of desperate men is now trailing with bloodhounds. If caught he will certainly be lynched. Every foot of Tuscarawas county is being searched for him. Miss Bowers' parents left home early in the evening to call on relatives in another part of the city, leaving their daughter in company with her small brother and sister. At 9 p. m. they had not returned, and then Miss Bowers stepped out of the rear door of the house to close the gate. As she did so a man sprang out of the darkness and clutched her about the throat, preventing any outcry. While people were passing along the street in front of the house he silently bore her to the ground, still keeping firm hold on her throat. She fought and struggled desperately. Then her assailant held her firmly with one hand and with the other tore from her body all her clothing, save her stockings and shoes. Nude and terrified, the girl tried to scream, but could not. Then, as a climax to his inhuman cruelty, he kicked her clothing into a heap and deliberately set a match to it. When it had blazed up he forced the naked girl on the flames and held her there until her senses left her.

Her 6-year-old brother heard her moans and ran out the door in time to see a man leap the fence and disappear. His screams attracted the neighbors, who arrived rapidly, and dragged the helpless girl out of the smoldering fire and carried her into her own home. Sheriff James Heffling was at once notified, and within half an hour a hundred or more desperate men were scattering out of the town in all directions. Two bloodhounds belonging to the county were at once put on the trail of the criminal, which they followed four miles south to the opening of an abandoned coal mine. This was thoroughly explored, but no one was found inside. Later the dogs took up the trail and followed it still farther south, where it was again lost in a field where horses were pastured. It is believed that the man, fearing the keen-scented brutes, corralled a horse and rode it some distance to throw the bounds off the track. The search was abandoned when daylight came, but is now being continued. It is believed that the fugitive cannot escape the cordon of armed men, who have the greater part of the county covered. Miss Bowers is in a critical condition. Her back, arms, left breast and limbs are terribly burned and she is in a sad state of nervous and mental excitement.

Home Wrecked by Dynamite.

Chippewa Falls, Wis., June 14.—The farmhouse of John Peterson, eight miles north of Cadott, was wrecked from the explosion of a charge of dynamite. Some unknown would-be murderer put the explosive under a corner of the house, where the wife and children were sleeping, and that side was completely shattered. The bed was blown to pieces, and how the sleeping occupants escaped is nothing short of miraculous. A mill hand who boarded with the family suffered a similar experience. Two of the children were severely injured, and Mrs. Peterson is seriously ill from the shock.

Car Driven by Corpse.

Chicago, June 14.—With the motor-man dead on the front platform, an Indiana avenue electric car crowded with passengers shot across the railroad tracks at Fortieth street just ahead of a freight train last night, and for three blocks ran full speed with no one at the controlling lever. The motor-man, H. A. Morgan, had fallen helpless of heart disease, but the passengers did not realize their danger until after it was over and the car had been stopped by the conductor.

Commission Merchants Win.

Lansing, Mich., June 14.—The Chicago commission merchants who attacked the new Michigan statute which provides that all commission merchants doing business in this state shall pay a license fee and file bonds, conditioned on the faithful accounting for goods entrusted to them for sale, scored a victory in the supreme court Wednesday. That tribunal was unanimously of the opinion that the statute was unconstitutional.
